

Black Muddy River chords by Grateful Dead

[Verse 1]

When the last rose of summer pricks my finger
And the hot sun chills me to the bone
When I can't hear the song for the singer
And I can't tell my pillow from a stone

[Chorus]

I will walk alone by the black muddy river
And sing me a song of my own
I will walk alone by the black muddy river
And sing me a song of my own

[Verse 2]

When the last bolt of sunshine hits the mountain
And the stars start to splatter in the sky
When the moon splits the southwest horizon
With the scream of an eagle on the fly

[Chorus]

I will walk alone by the black muddy river
And listen to the ripples as they moan
I will walk alone by the black muddy river
And sing me a song of my own

[Bridge]

Black muddy river
Roll on forever
Don't care how deep or wide
If you got another side
Roll muddy river

Roll muddy river
