

# Devils Train Chords by Hank Williams

Difficulty: beginner

Tuning: E A D G B E

## CHORDS

**C**  
The devil's train is long and black  
**Am**  
It rides on rails of tears  
**C**  
It's headin' for destruction now  
**G7 C**  
With a drunken engineer

**C**  
Oh see the greatness of the crowd  
**Am**  
That waits beside the track  
**C**  
They're leaving on that devil's train  
**G7 C**  
And never coming back

\*CHORUS\*:  
**C**  
Oh Lord please stop that devil's train  
**G7**  
Before it is too late  
**C**  
And teach them how to bow their heads  
**G7 C**  
Before they seal their fate

**C**  
The devil's train will take you to  
**Am**  
A land of groans and pain  
**C**  
You'll spend your days in sorrow if  
**G7 C**  
You ride that devil's train

**C**  
Oh listen to that whistle scream

Am  
Like echoes from the blue  
C  
The throttle's wide and spoutin' steam  
G7 C  
She's on her way to doom

\*CHORUS\*:

C  
Oh Lord please stop that devil's train  
G7  
Before it is too late  
C  
And teach them how to bow their heads  
G7 C  
Before they seal their fate

C  
The devil's train is long and black  
Am  
It's beautiful to see  
C  
It offers you temptation but  
G7 C  
It brings you mis-ery

So come and ride that glorious train  
Am  
Where happiness is free  
C  
It's on its way to heaven now  
G7 C  
To spend eter-nity

\*CHORUS\*:

C  
Oh Lord please stop that devil's train  
G7  
Before it is too late  
C  
And teach them how to bow their heads  
G7 C  
Before they seal their fate
