

# Garden Song chords by Dave Mallett

Intro

**G//C/G//C//G//C//G/Em//A//D//**

[Chorus]

**G C G**  
Inch by inch, row by row,  
**C G**  
Gonna make this garden grow.  
**C G G/F# Em**  
Gonna mulch it deep and low,  
**A D**  
Gonna make it fertile ground.  
**G C G**  
Inch by inch, row by row,  
**C G**  
Please bless these seeds I sow.  
**C G G/F# Em**  
Please keep them safe below  
**A D G**  
'Til the rain comes tumbling down.

**G C G**  
Pullin' weeds and pickin' stones,  
**C G**  
We are made of dreams and bones  
**C G G/F# Em**  
Need spot to call my own  
**A D**  
Cause the time is close at hand.  
**G C G**  
Grain for grain, sun and rain

**C** **G**  
I'll find my way in nature's chain  
**C** **G G/F# Em**  
Tune my body and my brain  
**A D G**  
To the music of the land.

[Chorus]

**G C G**  
Plant your rows straight and long,  
**C G**  
Season them with a prayer and song  
**C G G/F# Em**  
Mother earth will keep you strong  
**A D**  
If you give her love and care.  
**G C G**  
Old crow watching from a tree  
**C G**  
Has his hungry eye on me  
**C G G/F# Em**  
In my garden I'm as free  
**A D G**  
As that feathered thief up there.

[Chorus 2x]
