

# Last Kiss in D

INTRO: |D |Bm |G |A |D |Bm |G |A

Chorus:

|D |Bm  
Well, where oh where can my --baby be?

|G |A  
--The Lord took her away from me

|D |Bm  
--She's gone to heaven so I got to be good,

|G |A |D |D  
so I can see my baby when I leave this world

Verse 1:

|D |Bm |G |A  
We were out on a date in my -daddy's car, -we hadn't driven very far

|D |Bm  
There in the road, it was straight ahead,

|G |A  
--the car was stalled, the engine was dead

|D |Bm  
I couldn't stop, so I swerved to the right,

|G |A  
never forget the sound that night

|D |Bm  
The cryin' tires, the bustin' glass, the

G |A |D |D  
painful scream that I heard last

## Last Kiss - 2

### Verse 2:

Well when I woke up, the rain was pouring down,

there were people standing all around

Something warm a-runnin' in my eyes,

but I found my baby somehow that night

I raised her head, and when she smiled and said,

"Hold me darling just a little while",

I held her close, I kissed her our last kiss,

I found the love that I knew that I'd miss

But now she's gone, even though I hold her tight,

I lost my love, my life, that night.
