[Verse 1]

D
Oh the glory of true love

A
Is a wild and precious thing

E
It don't grow on old magnolias

A
Or only blossom in the spring

D
No the glory of true love

Is it will last your whole life through

Never will go out of fashion

Always will look good on you

[Chorus]

You can climb the highest mountain

Touch the moon and stars above

But Old Faithful's just a fountain

Compared to the glory of true love

[Instrumental]

[Verse 2]

Long before I met you darlin'

Lord, I thought I had it all

I could have my lunch in London

And my dinner in St. Paul

I got some friends in Albuquerque

Where the governor calls me "Gov"

You can give 'em all to Goodwill

For the glory of true love
