Well where oh where can my baby be

The Lord took her away from me

[Verse 1]

D Bm
We were out on a date in my daddy's car
G A
We hadn't driven very far
D Bm
There in the road straight ahead
G A
A car was stalled the engine was dead
D Bm
I couldn't stop so I swerved to the right

G **A**
I'll never forget the sound that night
D **Bm**
The crying tires the busting glass
G **A** **D**
The painful scream that I heard last

[Chorus]

D **Bm**
Well where oh where can my baby be
G **A**
The Lord took her away from me
D **Bm**
She's gone to heaven so I got to be good
G **A** **D**
So I can see my baby when I leave this world

[Verse 2]

D **Bm**
Well when I woke up the rain was pouring down
G **A**
There were people standing all around
D **Bm**
Something warm a-running in my eyes
G **A**
But I found my baby somehow that night
D **Bm**
I raised her head and when she smiled and said
G **A**
Hold me darling for a little while
D **Bm**
I held her close I kissed her our last kiss
G **A**
I found the love that I knew i would miss
D **Bm**
But now she's gone even though I hold her tight
G **A** **D**
I lost my love my life that night

[Chorus]

D **Bm**
Well where oh where can my baby be
G **A**
The Lord took her away from me

D **Bm**
