VERSE:

C#
See the alligator all a waitin' nearby
F# **C#**
Soon or later they know I'm gonna try

When she wave from the bank don't you know I know
F# **C#**
It's a goodbye fishin' line see you while ago

BREAK:

C#
With a Louisiana woman waitin'

On the other side

The Mississippi River
F# **C#**
Don't look so wide

CHORUS:

F#
Louisiana woman, Mississippi man
C#
We get together every time we can

The Mississippi River can't keep us apart
F# **C#**
There's too much love in the Mississippi heart
F# **C#**
Too much love in this Louisiana heart

VERSE:

C#
Well I thought I'd been loved but I never had
F# **C#**
Till I was wrapped in the arms of a Mississippi man

When he holds me close it feels almost
F# **C#**
Like another hurricane just ripped the coast

If he can't come to me I'm gonna go to him
F# **C#**
That Mississippi River, Lord, I'm gonna swim

CHORUS:

F#
Hey, Louisiana woman, Mississippi man
C#
We get together every time we can

The Mississippi River can't keep us apart
