CHORDS

[Verse]

G **C** **A7**
Deep within my heart, lies a melo-dy
D **G**
a song of old San Antone.

C **A7**
Where in dreams I live with a memo-ry
D **G**
beneath the stars all alone.

C **A7**
It was there I found, beside the Alamo
D **G**
enchantment strange as the blue up above
G7 **C** **A7**
a moonlit pass that only she would know.

D **G**
Still hears my broken song of love.
D
Moon in all your splendor
A7
Know only my heart

D
Call back my rose, Rose of San Antone
Lips so sweet and tender
A7
Like petals fallin' apart

D **D7**
Speak once again of my love, my own
G **C** **A7**
A broken song, empty words I know
D **G**
That live in my heart all alone
C **A7**
For that moonlit path beside the Alamo

D

G

And Rose, my Rose of San Antone.
