[break]

D **Em**
Well I dreamt I went away on a steam powered aeroplane.

G **D**
I went and stayed and I damn near didn't come back again.

D **Em**
Didn't go very fast on a steam powered aeroplane,

G **D**
Oh the wheels went around, up and down, and inside and then back again.

Em **F#m7**
Sittin' in a 747 just watching them clouds roll by,

Em **Dmaj7**
Can't tell if it sunshine or it's rain.

Em **Dmaj7**
Rather be sittin' in a deck chair high up over Kansas City,

Em **A5** **G6sus2**
On a genuine old-fashioned authentic steam powered aero plane.

F#m7 **Esus**

With letters that go all around the rim and then back again.
