[Verse 3]

D A  
I ain't saying I'm all that you need  
G D  
And I won't tell you, honey, you will be free  
D A  
But all night, well, I will keep trying  
G D  
And when I say I want ya, girl, you know I'm not lyin'  
D A  
You see a good woman out on the streets these days, friends  
G D  
Ah, a bad old man can't be hard to find, no, no  
D A  
Kind of man who'd steal your heart  
G D  
And call true love a crime, that's why I keep asking ya, baby

[Chorus 3]

D A  
Why don't you try me tonight? Do yourself a favor!  
G D  
Why don't you try me?  
D A  
Regular man ain't treatin' you right  
G D  
Why don't you try a man like me tonight?  
D A  
Why don't you try me tonight?  
G D  
Why don't you try me?  
D A  
Why don't you try me tonight?  
G D  
Why don't you try me?
